

KEEP YOUR FAMILY SAFE *MOSQUITOES*

#TheBigWet

REPELLENT

Apply mosquito repellent regularly. Products containing DEET or picaridin are best

MOZZIE COILS

Use mozzie coils in well ventilated areas only

EMPTY CONTAINERS

Tip out or throw away any containers that can hold water

SURFACE SPRAY

Use a residual surface spray under and around furniture and dark areas of you home

DRAINS AND GUTTERS

Clear out gutters and drains to allow water to flow

SEE YOUR DOCTOR

If you have symptoms such as fevers, joint pain or rash
